

Step 2 - White Cross

- Hold it the right way, with yellow centerpiece facing up and white centerpiece facing down. And pick a centerpiece color to face you.
- Let's say you pick red. Keep doing U until the top edge piece is also red. Then F2 so that the white petal now faces the bottom.

A large, solid brown arrow pointing to the right. In the center of the arrow is a white, bold, sans-serif capital letter 'U'.

U

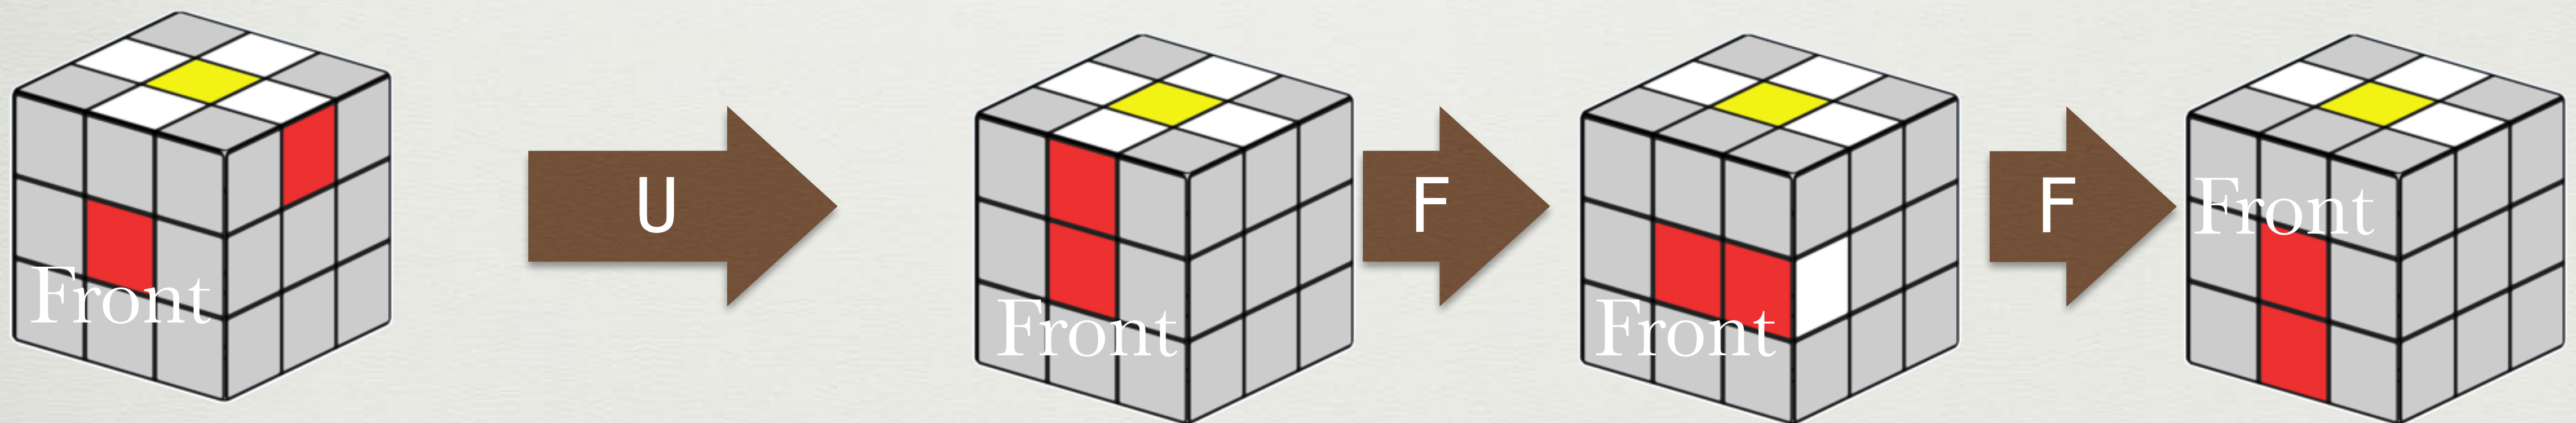

Do the same for the 3 other sides

You've solved the first of 20 pieces!

Step 2 - White Cross

- Hold it the right way, with yellow centerpiece facing up and white centerpiece facing down. And pick a centerpiece color to face you.
- Let's say you pick red. Keep doing U until the top edge piece is also red. Then F2 so that the white petal now faces the bottom.

You've solved the first of 20 pieces!

- Do the same for the 3 other sides

Step 2 - White Cross

- The White Cross is not just about the white faces around the white centerpiece, it's also about the side colors matching each of the 4 centerpieces on the sides
- We will never move these 4 solved pieces from their solved positions again. They've arrived!
